Notice of Class Arrangement For All Levels

According to a recent announcement by the Ministry of Education, states in the second phase of the National Recovery Plan can return to school in October.

The arrangements of classes are as follows:

1. The Senior Three students will return to school on 04.10.2021 (Monday) and will be divided into two groups, A and B.
2. Foundation Class to Senior Two will continue with Online Class until further notice.
3. The Senior Three Graduation Examination will be conducted in the form of a Unified Trial Exam, while The Junior Three Graduation Exam will be conducted in the form of a Unified Trial Exam via online.
4. The Final Exam for Foundation Class to Senior Two levels is conducted online.
5. During the period of suspension of classes for Senior Three students, the Academic Department and Subject Teachers will arrange exam preparatory classes for the UEC exam. All students must attend on time.

There are still many uncertainties and variables in the epidemic. I hope that the students can persist in serious and self-disciplined study.

Thank you.
